

Dear Crossroads,

After nearly six great years at Crossroads Church, Carley and I sense God is calling us to a new adventure. I've accepted a call to jump in and help a "Crossroads-like" church plant called Midcurrent in the town we live in and love, Hudson, Wisconsin.

I'll be stepping in as the associate pastor of youth and discipleship. Fun fact, Midcurrent's lead pastor is Phil Print's son-in-law, Sten!

Serving at Crossroads has been one of the greatest honors of my life. It all began after I received a phone call from my friend Tim Stanley about a job helping to build a multi-site youth ministry model across the East Metro and Hastings. Carley and I loved where we were but agreed to pray about it. Next thing we knew, we were packing our bags for this new adventure. Wow, are we glad we did. It has been very fulfilling to see so many people step into a life-changing relationship with Jesus.

It's been such an honor to serve with you. Thank you for being such a great church that is focused on making a big difference. My last Sunday at Crossroads will be May 21st (though I'll be in the office through the 23rd).

I want to say a special thank you to Phil, Joelle, Dave, the elders and the staff for the opportunity of being one of the leaders of this fantastic place. The elders will share details of a leadership-planning update next week — stay tuned for that.

Know Carley, Junie, Walker, and I will be cheering Crossroads on from the other side of the St. Croix River.

With deep gratitude,

Jonathan Maley
Lead Team
Executive Pastor of NextGen and Worship
