

Hey Crossroads,

Paul Curtis here, Chairman of the elder board here at Crossroads with an update on our search for a Lead Pastor. SIMA Partners (the search firm we are using) has had a few months now to network and turn over a lot of rocks looking for the right candidate for Crossroads.

As candidates respond and apply, SIMA measures them against the criteria we set over the past several months. Qualified candidates are now being collected into a pool for further evaluation. When SIMA is confident all qualified candidates who wish to apply have applied, we will begin digging deeper into their qualifications and skill sets to find the right person to lead Crossroads on our mission to reach one more for Christ.

You can be a great help in this process by having our Lead Pastor search on your prayer list. Ask God regularly to bless Crossroads with a Lead Pastor who is a perfect fit for the job. God has been incredibly faithful to Crossroads Church over the years by filling our pastoral needs with the right people time after time. We are confident God will do it again and ask you to join us in that prayer.

As I write this, our staff and elders are joining together in a day of prayer and fasting petitioning God for a Lead Pastor who will help us make a huge impact for heaven in our communities. Please join us in making prayer a priority in our search process. We are excited to see what God has in store for the next chapter in the life of Crossroads and we will continue to send updates as we know more.

Thank you for being a part of this movement dedicated to connecting people to Jesus! There is no greater cause on earth.

Paul Curtis
